Final	Poppy Hills Golf Course	Dates	April 28, 2019

Summary:

Please join us in congratulating Mumtaz Husain as the winner of the Masters tournament for 2019!

It was a great day for golf. BAGGsters were certainly ready to do the battle and had their game plans prepared. Mumtaz was the only one who was able to execute it perfectly.

Out of the field of 26 players, Mumtaz was the only player who did not record above a double bogey score throughout the round. On a course like Poppy Hills, that is flawless execution. Round of applause and a standing ovation!

With his execution Mumtaz put pressure on the competition to play aggressive and everybody in the chase fell out except for the 2018 champion, Ahmed Shah. Ahmed showed that come from behind spirit that he demonstrated in last year's epic win. He recorded an 1 net eagle and 5 net birdies in last 10 holes to finish the tournament one back at -6. Ahmed certainly fancies Poppy Hills, well played!

Ahmer, who is a tenacious competitor, clawed his way back into the red digits with 1 net eagle and 1 net albatross in last 3 holes to secure 3rd place with a -1 score. Well played Ahmer!

Honorable mention to Asad Cochinwala who played a complete round after 18 months. It was good to see him back on the course and expect to see more of him.

Thank you to all the BAGGsters for making this tournament a success!

BC'19's assessment:

Positives:

Cost	Poppy Hills provided an unbelievable deal - \$60 (including range balls)
Weather	Absolutely pristine conditions for golf
Participation – A roaring success!	<ul style="list-style-type: none"> • 29 out of 36 Members sign-up for the tournament. 26 participated! • 2 had to back-out due to conflicting commitments. • 1 had to bow out the night before due to injury.
Unsung Hero	Kudos to Ahmer for working out the logistics with the course. There were behind the seen challenges with securing 7 back to back tee times. It worked out beautifully at the end as the alternative would have meant that 1 4-some plays earlier in the day or later in the afternoon. A logistics nightmare averted!
Incident free	No complaints were launched. RC is sitting idle twiddling their thumbs and that is how we prefer it!
Car Pool Logistics	It is never easy to transport 26 people with clubs and carts. It worked out well for the most part. Few had to drive alone which can be a burden. Many thanks to those who drove alone and those who volunteered to drive to the course.

Areas of Improvement:

Pace of Play	We spent 5 hours and 30 minutes on the course. Some groups did better than others but this is something we need to strive to improve.
After game hangout	We do need to incorporate more of this component. Playing on a Sunday makes it little more challenging after a long day. Understandably not everyone can make it due to family or social commitments but we must try to make this an important aspect of the game. It is always fun to discuss the battle scars!
