Total		8		13

Winners: Team Awesome! Congrats to captain Ahmer and the entire team.

CTP Winners: Asad Akram (Hole 4); Usman Qureshi (Hole 11)

BC'19's assessment:

Positives:

Cost	Shoreline provided an excellent deal - \$39 (included cart and range balls)
Weather	Turned out to be excellent – we got lucky!
Participation	22 golfers signed up. Considering there were many BAGGsters who were traveling this was a good start to the year.
Captain's interaction	Both captains worked well together and accommodated the needs of the other team.
Willingness to change	<p>Ali Saeed had to back out last minute due to untimely death in his family. Baqi and Abid were ready to jump in and fill-in the vacated spot even though they both had just returned from an international trip. Thank you Baqi for joining.</p> <p>Team Awesome had an upper hand with one player short on Team Wolf Pack. Ahmer accommodated last minute substitution without any deliberations. Thank you Ahmer and Team Awesome.</p> <p>High marks for BAGG spirit!</p>
Team camaraderie	Both teams held team meetings to inform their members about the format and discuss strategies of the game. Both meeting were well attended.
Ready to help	<p>There are many things that happen in the background which add up to make the experience more enjoyable and memorable. BC alone cannot accomplish these tasks as every tournament brings its own uniqueness.</p> <p>Ahmer jumped in to help out on building the scorecards. Mumtaz, Firzok, Members of RC and Jeddy all helped in providing clarity to rules, handicaps, setting up online game and overall communication. Thank you all.</p>
Incident free	No complaints were launched. RC is sitting idle twiddling their thumbs and that is how we like it!

Areas of Improvement:

Course	Shoreline was not in best of shape, while most of the holes were fine, there were holes that had water due to drainage issue. Lesson for future: Pick a course with better drainage for January tournaments.
Format of the game	While the format of the game was very intriguing and made every single hole meaningful it was challenging to follow. It created a logistical challenge with scorecards and online scoring. Some may say it failed the “Chacha and Maamoo” test. Lesson for future: consider a simpler format for the 1st tournament of the year.
Pace of play	We spent 5 hours and 30 minutes on the course. Some groups did better than others but this is something we need to strive to improve.
After game hangout	We need to incorporate this component. One of the benefits of playing on Saturday is that we can hangout afterwards and unwind from the stressful game without having to worry about going to work next day. Understandably not everyone can make it due to family or social commitments but we must try to make this an important aspect of the game.
