	Faraz Hoodbhoy		Zaki Hassan	

**Winners: Team MIP with a score of 11-7! Congrats to captain Ahmer and the entire team.**

**BC'20's assessment:****Positives:**

Cost	Shoreline has had issues with drainage and duck poop in the past. While the course was not in pristine condition. It was a steal at \$45 (included cart and range balls).
Weather	It was cold and windy on few holes but overall turned out good – we got lucky!
Participation	24 golfers signed up. Considering there were many BAGGsters who were traveling this was a good start to the year.
Captain's interaction	Both captains worked well together and accommodated the needs of the other team.
Willingness to change	Nasir Cochinwala had to back out last minute due to travel. Anwar jumped in to help and played a round during the weekday to get his memberships requirements complete and fill-in the vacated spot. Thank you Anwar for joining.  Both captains accommodated last minute additions without any deliberations. High marks for BAGG spirit!
Ready to help	There are many things that happen in the background which add up to make the experience more enjoyable and memorable. BC alone cannot accomplish these tasks as every tournament brings its own uniqueness.  Ahmer jumped in to help out in preparing the scorecards. Mumtaz, Firzok and other members helped in providing clarity to rules, handicaps and overall communication. Thank you all.
Incident free	No complaints were launched. RC is sitting idle twiddling their thumbs and that is how we like it!
After game hangout	Fantastic! 20 out of 24 players showed up after the game for dinner and hangout. We know it takes effort to spend additional time away from families on a weekend and we thank everybody to make this possible.
Unsung heroes	Raheel and Ghazzali continue to do yeoman's job to ensure an enjoyable experience. Working with the course, ordering snacks and managing food at Pakwan. Everyone went home with full bellies. Thank you guys!

**Areas of Improvement:**

Format of the game	While the format of the game was very intriguing and made every single hole meaningful it does require some explanation. It created a logistical challenge with scorecards and online scoring. Current BC believes that it is a good and challenging format. Future BC's can decide if they want to make any enhancements.
Pace of play	We spent 5 ½ hours to 6 hours on the course. Some groups did better than others but this is something we need to strive to improve.
